

# On Saving The Planet

# Hello!

We are The (Green)Power Rangers

Ruei-Hung (Ray) Chen  
Andrew Chew  
Zhenyu Xuan  
Elif Yurek

# Chosen Topic

- Climate Change
  - Global Temperature, Sea Levels, CO<sub>2</sub> Levels
  - Factors that affect climate change
  - Renewable Energy adoption
  - Electric Vehicles
  - Effects of climate change

A decorative graphic on the left side of the slide. It features a green leaf with a white vein, a large light blue circle at the top, and a view of the Earth from space showing the Americas, set against a black background.

## Social Good

- Disproportionate effects on low-income countries and poor people in high-income countries
- Threat to water resources
- Climate change will force many people to become environmental refugees.

# Intended audience

- **General public**  
To educate voters for election
- **Governing bodies**  
To propose sensible policies

“ *We won't have a society if we  
destroy the environment.*

*- Margaret Mead*

# Lessons and Takeaways

- Understand our world
- Current environmental Issues
- What is causing the problem?
- How can we help?

# Data

- **Organisation for Economic Co-operation and Development (OECD)**
  - Crude Oil Production
  - Renewable Energy
- **International Energy Agency (IEA)**
  - CO<sub>2</sub> Emissions
  - Oil
- **Our World In Data**
  - Air pollution
- **The World Bank**
  - Carbon Pricing
- **Freedom House**
  - Democracy Index
- **Other publicly available resources**
  - Company's Financials

The background is a solid light green color. On the left side, there are several stylized green shapes. These include a large, light green circle in the top left, a smaller light green circle in the top center, a dark green leaf shape in the middle left, and a light green leaf shape in the bottom center. The text "Thank you!" is positioned on the right side of the image.

Thank you!
